VEIRS MILL VILLAGE, Silver Spring, MD

Single family home with garage. This adorable home has been thoughtfully and beautifully updated throughout and is move-in ready. Main level consists of two bedrooms and a bath, full kitchen with pass-through dining room and a laundry room. The kitchen has a sliding glass door exit out to the deck, garage and backyard. The lower level has been set up as a complete living space with a separate entrance. It is fully self-contained with its own kitchen, living room, bedroom, full bath and laundry and storage room. This would be great for a live at home college student, live-in caregiver or grandparents. It can be shut off from the main level if needed. The oversized detached garage has electric and room for a car, your workshop and tools, storage and your lawnmower. It even has a lower-level room with its own entrance and full window and would be a great potting shed, artist studio, rainy day playroom for the kids or use your imagination and find another use. The backyard is mostly level with a slight slope and a small fenced-in garden area to grow your prized tomatoes and basil.

Built in 1946
